HOLIDAYS 1 – 12 OCTOBER

FROM THE PRINCIPAL

Welcome to another edition of "The Vibe". The weeks are going by so quickly, time flies when you are having fun.

FROM THE GOVERNANCE

Respect is not free and cannot be taken for granted.

Earn it from others, it only comes with respect.

Show respect towards others first, to gain respect in return.

Practice kindness, patience and compassion.

Eagerly learn from others and give credit where it is due.

Cannot command it, you must work hard for it.

Trust is needed to gain respect.

What does respect look like?

Being positive towards others.

Being kind to others.

Being inclusive

Paying attention

Giving others a go.

Being helpful

Respecting others property.

Treating others how you want to be treated.

Following rules.

Speaking the truth and being honest

The governance and SRC will be raising money for farmers who have been struggling from the droughts. On the 1st of September, all students are asked to dress up as a farmer and bring along a gold coin donation. At lunch time there will be a time when students will be able to barn dance to some country music.

TELL THEM FROM ME PARENT SURVEY

This term, our school will be participating in the Partners in Learning parent survey on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, ipads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 27 August and 26 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. A note will be distributed to parents shortly for instructions on how to access the survey for our school. The survey is available in 23 languages. Parent FAQ document for the parent survey: http://surveys.cese.nsw.gov.au/images/FAQs/TTFM_Parent_Survey_FAQs_Parent_and_Carers_T32018.pdf Should you have any questions, please contact Mrs Vasta at the school office.

NAPLAN ONLINE – SCHOOL READINESS TEST

Students in years 3 and 5 will be participating in the school readiness test in Week 7, between Monday 3rd September and Friday 7 September 2018. The readiness test will involve students in year 3 and 5 sitting two, 40-minute assessments, a writing test and a combined numeracy/literacy test. *(Year 3 students will not participate in the writing test).*

Student participation in the readiness test is an opportunity for them to become familiar with the NAPLAN Online test format. It is not an assessment of student ability and there will be no reporting of student results. It is important to note that participation in the school readiness test has no effect on students' NAPLAN results from the tests students sat in May.

More information about NAPLAN Online is available on the department's NAPLAN Online website: <https://education.nsw.gov.au/teaching-and-learning/student-assessment/naplan-online>

PREMIER'S READING CHALLENGE

CLOSES FOR STUDENTS: FRIDAY AUGUST 31, 2018

The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

Please ensure your child completes their Premier's Reading Challenge by the end of this month and they will receive a Certificate of completion from our very own premier at the end of term 4!

ARCO NEWS – GOAL AND PRINCIPLES

(From the Anti-Racism Contact Officer, Mrs Vasta)

Principles

A just society – Schools impart the values of a just, democratic and harmonious Australian society with a shared commitment among all members of the school community to human rights and civic responsibilities.

A safe and secure environment – All members of the school community – staff, students and parents have the right to a safe and productive teaching, learning and working environment free from racism.

Equitable access, participation and outcomes – Students of all cultural or linguistic backgrounds participate in quality teaching and learning programs that enable them to achieve their full potential.

GOVERNANCE NEWS

The Governance have had a very busy start to term 3. Soccer Sporty comps are underway, with teams all finished playing their first round of games. Good luck to all the teams as they continue to compete.

We have also been busy organising fundraising events for our school community. The first one coming up in week 7, is a sleepover being held for year 5 and 6 students on Friday night. The purpose of the sleepout is to raise awareness of homelessness and, as a school community, to collect donations that can be given to people in need. Please bring in donations that can be used and hand them to classroom teachers. Donations may include: warm, woolly socks, body wash, toothpaste, toothbrushes, deodorant, shampoo and conditioner, soap, pocket hand sanitiser, hair brush and hair elastics. These donations will be put together to create toiletry kits on the night of our sleepover which will be delivered by our guest speaker.

Another fundraiser that the SRC have begun to organise is to raise money for farmers in drought. Students will be invited to dress in farmer clothes and take part in a barn dance at lunch time. We will raise money by students bringing in a gold coin donation to take part in the dress up and dance. A note will be sent out soon with more details.

We look forward to seeing you with your dancing boots on in week 10!

CHOIR UPDATE

This term, choir has commenced for students from K-6. Two to three students from each class have been given the opportunity to participate in weekly choir practice with Miss Tsaknis and Mrs Murphy.

The aim of choir is to provide students with an enjoyable music experience while collaborating with their peers and expressing themselves in a supportive environment.

The focus for this term is to introduce and consolidate effective voice warm-up exercises including physical, breathing, facial and articulation. We are singing a variety of songs and are also learning about using pitch and tone to enhance our singing skills.

We are looking forward to a fun year of music and singing!

K/1 OPEN DAY CHALLENGE!

On Wednesday 8th September, K/1 Koala opened their classroom door to welcome parents to watch them in action whilst completing a STEM challenge. The challenge was linked to our library theme 'Find Your Treasure'. Students were asked to work together in groups to create a treasure chest that could store books, have a lock and that was decorative.

Our parents were also brave enough to assist our students in this challenge. Thank you to our parents that joined us and helped us create our amazing treasure chests. They were all a success.

Student feedback:

Karim – *"It was fun and hard!"*

Bianca – *"I thought it was tricky but fun."*

Zara – *"It was a very exciting challenge."*

Elijah – *"The key was hard to make."*

Artin – *"It was hard to make the lid but I enjoyed doing it with the group."*

Ethan – *"It was amazing because our parents were here."*

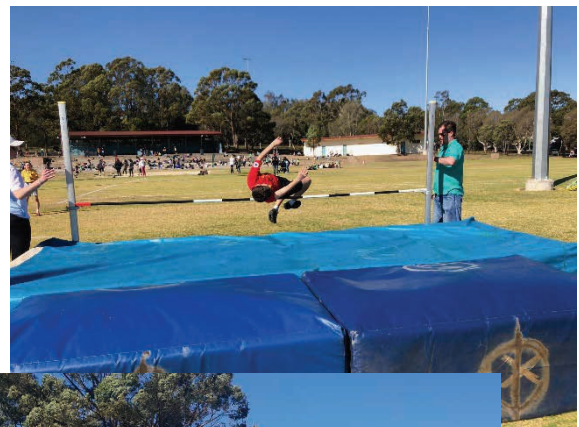

The Premier's Sporting Challenge has begun with all students showing an enthusiastic approach to sport and fitness. Some excellent results are being logged during this challenge. Keep up the terrific work Undercliffe! A reminder that special awards will be given to students with outstanding weekly physical activity at the end of this 10 week challenge.

Our annual athletics carnival was held on Wednesday the 15th of August at Campbell Athletics Field. The day was a huge success with all students demonstrating such determination and drive to succeed in a variety of track and field events. Even battling against the wind, some incredible times, jumps and throws were recorded! Thank you to the parents and grandparents who assisted with the running of the events and for showing your support! It is really appreciated! Thank you to the P&C who provided drinks and hotdogs to fuel our competitors throughout the day.

Students who placed highly will be awarded with ribbons at an upcoming school assembly. The date of this assembly will be provided at a later date.

Zone athletics occurs over two days – Tuesday 21st August (Week 5) and Tuesday 28th August (Week 6). We wish all students competing luck as they represent our school.

Well done to our dancers on an extraordinary performance and we look forward to the rest of the school seeing these dances later on in the year.

School Holidays are Approaching

A friendly reminder from your local Crime Prevention Officers that school holidays commence on Monday 9th of July and schools reopen on Tuesday the 24th of July 2018

Dear Residents,

On Monday the 9th of July 2018, all NSW Schools will close for the autumn vacation. During holidays, schools often become targets for anti-social behaviour and crimes such as graffiti, malicious damage, trespassing and break and enters.

As I'm sure you are aware, it is important for the police and the community to work together to reduce crime. As a resident, living close to your local school, we encourage you to keep a watchful eye on the nearby school grounds and premises and report anything that you see or hear that may be considered as suspicious.

People are often reluctant to report minor incidents to police. The adverse side of this is that if police are not aware of where crimes are occurring, then there is little they can do to address the problem. Please report crime or other antisocial incidents, preferably when they occur to allow police to deploy staff to these areas. This can be done in four different ways:

Reporting Incidents

Emergency	000
Police Assistance Line	131 444
Crime Stoppers	1800 333 000
Ashfield Police Station	02 9797 4099
Burwood Police Station	02 9745 8499

Remember, if you see or hear something – SAY SOMETHING

A reminder about Home Security:

If you plan to be away during the school vacation do remember to:

- Ensure all garden tools, ladders etc are secured in a locked garage or shed;
- Ask a neighbour to clear your letter box, papers etc;
- Leave your contact details with a neighbour

If you have any further enquiries, please do not hesitate to contact the Crime Prevention Officers, Senior Constables Latu or McCue on 02 9797 4099

Kind Regards

THE CITY OF CANTERBURY SCHOOL SAFETY

You need to take extra care when driving and parking in school zones. Please ensure that you understand the road rules and that your child understands how to behave safely around school zones. Please be a good role model for your child's pedestrian and future driving behaviour.

If you break the traffic rules in a school zone you are putting children at risk.
Safety tips for drivers around school zones.

- * You must stop for pedestrians at a pedestrian crossing.
- * Always drop-off or pick-up your child from suitable and legal parking spots, even if this means walking further away from the school.
- * **Never double park.**
- * **Never park across a pedestrian crossing.**
- * **Never perform a U-turn in close proximity to the school, or over double lines, or on the pedestrian crossing**
- * Make sure all children in the car use the footpath-side door (safety door) when getting in and out of a car.
- * **Always ensure children are secured in their appropriate for age child restraint.** Preferably seat children in the back seat of a car for safety.
Penalty: Unrestrained child \$319 & 3 demerit points
- * Make sure the hand brake is applied when the vehicle is stationary.
- * Make sure everything is organised before coming to school so that the drop off is as fast as safely possible.
- * Ensure items in the car are safely in the boot or on the floor
