## CROSS COUNTRY 2019

On Thursday, 2nd May we held our annual Cross Country at Gough Whitlam Park. It was a fantastic day and it was excellent to see so many students entering the race

with a determined and positive mindset. Team spirit and sportsmanship was strong as students cheered on their fellow house members and peers.

We would like to extend a huge thankyou to parents and grandparents for offering their time to assist with the running of the carnival and for cheering the students on. The day would not run as

smoothly without your help!

Zone Cross Country is being held on Thursday, 6th June (Week 6) at Croydon Park. All students who have qualified to represent our school at zone will receive a note in week 4. We wish all competitiors luck in their race.
