

Cross Country

On a cold and wet Friday on the 7th of June, 26 students from Undercliffe Public School represented our school at the Zone Cross Country Carnival.

Despite the weather all of our students ran fantastically, with many placing within the top 20.

A special mention to Zahra who came 2nd and Taylor who came 4th. As these students placed in the top 4 they qualified for regional in the following week.

At the Regional Cross Country carnival Zahra and Taylor both had excellent races. Zahra ended up placing 15th while Taylor placed 40th.

Congratulations to all of our students who competed in both Zone and Regional Cross Country Carnivals.
